PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The Department is mandated by the California Harbors and Navigation Code to provide services relative to the proper and legal removal, storage, and/or disposal of abandoned recreational watercraft. In an effort to avoid potential health and safety hazards, it is imperative to remove these vessels in and around the harbor. The focus of this grant is to assist the Department in eliminating from the MDR Harbor and Santa Monica Bay abandoned and submerged vessels and avoid possible health risks.

Funds in the amount of \$30,000 will be used for Services and Supplies for removal, disposal, and storage fees of vessels.

Implementation of Strategic Plan Goals

This Program is consistent with the County's Strategic Plan, Goal 3, Integrated Services Delivery, by maximizing opportunities to measurably improve client and community outcomes and leverage resources through the continuous integration of health, community, and public safety services.

FISCAL IMPACT/FINANCING

This will be the eighth year of funding for this Program. The \$3,000 match requirement will be funded by the Department's Central Patrol Division Budget. This funding was included in the Department's FY 2013-14 Supplemental Budget Request.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

DBW requires that the attached Resolution be adopted by the Board as evidence of the Sheriff's authority to execute the Agreement on behalf of the County.

The term of the Agreement is for a period of two years from January 15, 2014, to January 15, 2016. Under the terms of the Agreement, the County and its subcontractors must furnish verification of insurance upon execution of grant agreement, and all requests for payment must be submitted no later than 45 days prior to the expiration date of the Agreement.

The Agreement requires, among other things, that the County indemnify, defend, and save harmless the State of California, its officers, agents, and employees from any and all claims and losses accruing or resulting to any and all contractors, subcontractors, suppliers, laborers, and any other person, firm, or corporation furnishing, or supplying work services, materials, or supplies in connection with the performance of the Agreement and from any and all claims and losses accruing or resulting to any person, firm, or corporation who may be injured or damaged by the subcontractor or the County in the performance of the Agreement.

This Board letter has been reviewed and the Resolution has been approved by County Counsel.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

This grant will have a positive impact on current services for the MDR Harbor and Santa Monica Bay waters. This Program supports emergency dive services, boating accident investigations, and sunken vessel recoveries.

CONCLUSION

Upon Board approval, please return two individually certified copies of the adopted Board letter and two originally executed copies of the Resolution to the Department's Grants Unit.

Ms. Susan Sykes
California Department of Boating and Waterways
2000 Evergreen Street, Suite 100
Sacramento, California 95815-3888

Dear Ms. Sykes:

It is the intent of the Los Angeles County Sheriff's Department to seek \$40,000.00 in grant funding from the State of California, Department of Boating and Waterways (DBW), through the Abandoned Watercraft Abatement Fund (AWAF), Fiscal Year 2013-2014.

PURPOSE

The Sheriff's Department is mandated by the Harbors and Navigation Code (Section 510-527) to provide services relative to the proper and legal removal, storage, and/or disposal of abandoned recreational vessels. Marina del Rey Harbor provides anchorage for approximately 5,000 recreational vessels. Due to the ongoing renovation of the harbor, the Sheriff's Department has experienced an increase in abandoned vessels. The majority of these vessels are unseaworthy and uninhabitable. Salvage companies are not interested in purchasing said vessels due to their poor condition.

STATEMENT OF NEED

The Marina del Rey Harbor is continuing to undergo major renovation. As a direct result of the renovation project, many vessels will be displaced and/or abandoned. Our agency will be required to take possession of those vessels in order to mitigate the problem.

PLAN OF ACTION

The Sheriff's Department currently has fourteen vessels in need of removal and disposal from the Marina del Rey Harbor and continues to remove and dispose an average of one to three boats per month.

A Tradition of Service Since 1850

Due to the continuing volume of abandoned boats, the Sheriff's Department has established a master agreement of vendors to aid in the removal and disposal of abandoned vessels. The estimated cost of this service is approximately \$40,000.00 for this year. Should the Sheriff's Department receive grant funding from the DBW, the ten percent contribution will be funded through its annual budget.

Should you have any questions or concerns regarding this letter of intent, please contact Deputy Bryan White at (310) 482-6033.

Sincerely,

LEROY D. BACA, SHERIFF

ABANDONED WATERCRAFT ABATEMENT FUND
GRANT APPLICATION AND QUESTIONNAIRE

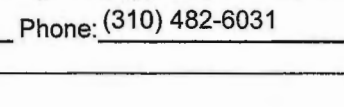

<p>1. Does your agency have a local marine law enforcement detail tasked with addressing abandoned vessels in your jurisdiction? If yes, explain in detail. If no, elaborate on your agency's efforts to create a program.</p>	<p>As a function of marine patrol, the Los Angeles Sheriff's Department impounds vessels. They are stored in the water adjacent to the Marina del Rey Sheriff Station in Marina del Rey, or at property storage in East Los Angeles. Once all efforts to find responsible parties who can take charge of the vessel are exhausted, a lien sale is scheduled. All vessels not sold at the lien sale become property of the LASD. Most of these vessels are then destroyed / demolished by a private contractor for the Sheriff's Department.</p>
<p>2. Does your agency have a submerged navigational hazard abatement plan? Please explain.</p>	<p>The Los Angeles County Sheriff has a submerged navigational hazard abatement plan for hazards inside Marina del Rey Harbor, outside the harbor entrance and several local inland waterways within Los Angeles County. When a hazard within these areas is deemed to pose a navigational hazard, a dive operation is scheduled by a Sheriff's Dive Team to remove any such hazard. The hazard is either transported to a local dump, destroyed by a private contractor or mitigated on site.</p>
<p>3. List by name and size the bodies of water or waterways your agency is responsible for in its jurisdiction.</p>	<p>The Los Angeles County Sheriff Department is responsible for all Los Angeles County coastal waters between Ventura County and Orange County; Marina del Rey Harbor; Coastal areas of Catalina and San Clemente islands (Approximately 128 miles of coast line). The Sheriff's Department is also responsible for the inland waterways of the county, including Pyramid Lake (180,000 acres) and Castaic Lake (323,800 acres).</p>
<p>4. Local agencies are required to make a 10 percent match by cash, or in-kind. Is your agency able to comply with the 10 percent match in advance before any grant money is reimbursed?</p>	<p>Yes, the Los Angeles County Sheriff has the resources to make the required 10% match.</p>

Per Harbors and Navigation Code 525 (C) "A grant awarded by the department pursuant to subparagraph (A) shall be matched by a 10% contribution from the local agency receiving the grant." This matching fund may be rendered in cash, or through in-kind contributions which must be verified, and are at the discretion of DBW. These contributions may include (but are not limited to) the following: administrative costs, personnel hours, removal, and/or storage.

Grant monies WILL NOT be reimbursed by DBW unless 10% of each claim is met.

Pursuant to its authority under Harbors and Navigation Code section 525, the Division of Boating and Waterways (DBW) wishes to contract with Grantee for the removal and disposal of abandoned, wrecked or dismantled vessels, or parts thereof, or any other partially submerged objects (hereinafter "eligible water hazards") which pose a substantial hazard to navigation within Grantee's jurisdiction as listed on the Questionnaire, found in Exhibit A.

2. WATER HAZARDS ELIGIBLE FOR REMOVAL AND DISPOSAL

The funds provided under this Agreement shall be used for the abatement, removal, storage and and/or disposal of eligible water hazards. For purposes of this Agreement, "abandoned" is defined in Harbors and Navigation Code section 522(a):

The funds provided under this Agreement shall not be utilized for abatement, removal, storage, or disposal of commercial vessels. Commercial vessels include those vessels for which the most recent registration or documentation was commercial, even though that registration or documentation may have lapsed.

If Grantee is reimbursed for the costs related to the abatement, removal, storage, and/or disposal of an eligible water hazard by the registered or legal owner or other person or entity known to have an interest in the water hazard, then the water hazard shall no longer be eligible for funding under this Agreement. Grantee shall notify DBW in writing of such reimbursement and shall return all funds disbursed by DBW to Grantee with respect to such water hazard immediately.

3. RIGHT OF INSPECTION

Grantee shall allow DBW and other state agency representatives, at any reasonable time, to inspect any site where Grantee or its subcontractors are performing work under this Agreement.

4. HAZARDOUS MATERIALS

Grantee shall be responsible for securing any necessary or prudent studies, permits, or authorizations associated with treatment, removal, storage, or any other handling of hazardous substances including, but not limited to, toxic waste, petroleum waste, asbestos, and similar substances, prior to the removal of any vessel and water hazard pursuant to this Agreement.

Grantee shall be responsible for the proper and lawful handling, abatement, removal, storage, and/or disposal of any hazardous substances encountered in the execution of this Agreement.

5. TITLES AND LIENS

Grantee shall comply with all relevant provisions of the Harbors and Navigation Code regarding notices, hearings and liens in the performance of this Agreement. Grantee (in conjunction with local law enforcement) shall conduct a title search for all vessels presumed to be abandoned, as provided by Harbors and Navigation Code section 526.

6. MEDIA

Grantee agrees to acknowledge DBW's financial support whenever work funded by this Agreement is publicized in any news media, brochures, or other type of promotional material.

7. OUTSIDE SERVICES

It is understood and agreed that, at its discretion, DBW reserves the right to obtain marine salvage services outside the terms of this Agreement.

8. PERMITS AND DOCUMENTATION

Prior to the removal of any eligible water hazard, the Grantee shall obtain all necessary permits, authorizations, and documentation necessitated by any applicable provision of law.

9. SECURING OF BIDS

Grantee shall comply with any applicable laws and regulations governing the competitive bidding process when awarding subcontracts to marine salvage companies under this Agreement.

10. SUBCONTRACTORS

The Grantee warrants that any marine salvage company performing work under this Agreement holds a valid business license and carries general commercial liability insurance coverage sufficient to fully insure against any and all risks of hazardous activities associated with the work to be performed under this Agreement. Grantee shall provide DBW with a certificate of insurance from any subcontractor prior to the commencement of any work under this Agreement.

11. TRAFFIC CONTROL AND TRAFFIC SAFETY

The Grantee shall provide for adequate traffic control and safety measures at any site where Grantee and its subcontractors will perform any work under this Agreement.

12. AIR OR WATER POLLUTION VIOLATION

Grantee warrants that it is not (1) in violation of any order or resolution not subject to review promulgated by the State Air Resources Board or an air pollution control district; (2) subject to any cease and desist order not subject to review issued pursuant to Water Code section 13301 for violation of waste discharge requirements or discharge

prohibitions; or (3) finally determined to be in violation of provisions of federal law relating to air or water pollution.

13. ENTIRE AGREEMENT

This Agreement consists of the terms of this Agreement and all attachments, which are expressly incorporated herein. No amendment or variation of the terms of this Agreement shall be valid unless made in writing, signed by the parties and approved as required.

14. APPROVAL OF AGREEMENT AND AMENDMENTS

Grantee must provide DBW with evidence of its authority to enter into this Agreement. Alternatively, Grantee shall provide DBW with a resolution, order, motion, or ordinance of its local governing body that by law has authority to contract, authorizing execution of this Agreement.

17. COMPLIANCE WITH LAW AND REGULATIONS

Grantee and its subcontractor(s) shall comply with all applicable laws and regulations of the State of California for all work to be performed under this Agreement. By signing this Agreement, Grantee certifies its compliance and the compliance of all subcontractors with: (a) applicable provisions of the California Environmental Quality Act; (b) Nondiscrimination Program requirements of Government Code section 12990 (a-f) and Title 2, California Code of Regulations, section 8103 (and section 8113 in contracts over \$5,000) along with section 7285 et. seq. of the Fair Employment and Housing Act; (c) Drug-Free Workplace requirement of Government Code section 8350 et seq.; (d) National Labor Relations Board Certification of Public Contract Code section

If Grantee is self-insured, Grantee must provide DBW written explanation of the self-insurance program, which must be approved by the Office of Risk and Insurance Management (ORIM). Grantee warrants that its liability insurance shall be in effect at all times during the term of this agreement. In the event Grantee's insurance coverage expires at any time during the term of this Agreement, Grantee agrees to provide, at least 30 days before said expiration date, a new certificate of insurance evidencing insurance coverage as provided for herein and for not less than the remainder of the term of the agreement or for a period of not less than one year. New certificates of insurance are subject to the approval of the ORIM. Grantee agrees that no work or services shall be performed prior to such approval.

20. TERMINATION

- A. DBW may terminate this Agreement for any reason upon thirty (30) days written notice to Grantee.
- B. If the Grantee fails to keep the required insurance in effect at all times during the term of this agreement, DBW may, in addition to other remedies it may have, terminate this agreement upon two days written notice.
- C. DBW may, by two-day written notice to Grantee and without any prejudice to its other remedies, terminate this agreement because of failure of Grantee to fulfill any of the requirements of this agreement.
- D. Upon receipt of any notice terminating this Agreement, Grantee shall immediately discontinue all removal and disposal activities affected, unless the notice directs otherwise. In such event, DBW shall pay Grantee only for removal and disposal activities completed prior to the termination date.
- E. Upon termination of this agreement, Grantee shall promptly return all advanced funds. At DBW's sole discretion, DBW may offer an opportunity to cure any breach prior to terminating for default.

21. ASSIGNMENT

This Agreement is not assignable by the Grantee, either in whole or in part, without the consent of the State in the form of a formal written amendment.

22. MATCHING REQUIREMENT

Section 525(C) of the Harbors and Navigation Code states, "A grant awarded by the department pursuant to subparagraph (A) shall be matched by a 10-percent contribution from the local agency receiving the grant."

The 10-percent contribution is in addition to funds awarded in the grant.

The burden of proof in complying with the 10-percent contribution requirement is the responsibility of the grantee. Grant funds will not be disbursed until the grantee has provided DBW with acceptable documentation that it complied with the 10-percent contribution requirement for each disbursement.

(Public Contract Code sections 10475, *et seq.*; Stats. 2008, Ch. 272). The Act was passed by the California Legislature and signed into law by the Governor to preclude State agencies generally from contracting with "scrutinized" companies that do business in the African nation of Sudan (of which the Darfur region is a part), for the reasons described in Public Contract Code section 10475.

A scrutinized company is a company doing business in Sudan as defined in Public Contract Code section 10476. Scrutinized companies are ineligible to, and cannot, bid on or submit a proposal for a contract with a State agency for goods or services. (Public Contract Code section 10477(a)).

Therefore, Public Contract Code section 10478 (a) requires a company that currently has (or within the previous three years has had) business activities or other operations outside of the United States to certify that it is not a "scrutinized" company when it submits a bid or proposal to a State agency. (See # 2 on the sample Attachment).
